## **Boardworks English: Grammar and Skills**

## Worksheet One

This worksheet accompanies Basic Punctuation.

#### Add the periods

Read the following piece of text in which all the periods have been removed. Then rewrite the text adding in the punctuation and capital letters in the correct places.

It was a bright sunny day when the children left the house for the mountain walk they each had a backpack with the items they needed for the day these consisted of ham sandwiches with thick slices of bread, chocolate cookies and bottled water they also each had a light windbreaker in case of rain Samuel, as he was the oldest, carried the first aid kit it had bandages and antiseptic lotion in it it made his backpack heavier, but he was bigger than the others so he didn't notice the extra weight
