### Worksheet One

This worksheet accompanies slide 4 of *Research Projects 1.ppt*

#### Fact finding

Choose a topic, like your favorite animal. Then find **three** sources on your topic. Try to include one non-fiction book, one encyclopedia and one website. Write the title of each source in the table below.

<b>Topic</b>	
<b>Book</b>	
<b>Encyclopedia</b>	
<b>Website</b>	

Name:

Date:

### **Worksheet Two**

This worksheet accompanies slide 5 of *Research Projects 1.ppt*

#### **Taking notes**

Highlight the most important facts about crocodiles.

#### **Meat eaters**

Some meat eaters (like tigers) are big. Some (like spiders) are small. Here are some facts about meat eaters:

- Foxes eat chickens and rabbits. They also eat frogs, worms and slugs. They hunt at night.
- Crocodiles eat zebra, deer and monkeys. Crocodiles hide in rivers and lakes, waiting for other animals to come for a drink. Some crocodiles are man-eaters!
